OBJECTIVE OF THE CAMP:

- To conduct the blood donation camp as one of the event as MIP COPT celebrating the Physiotherapy Week from 02 to 10 Sept. 2018 on occasion of the World Physiotherapy Day.
- To collect the blood from non-remunerated voluntary blood donors from MIP COPT, Latur, and make it available at the Smt. Sarawati Karad blood bank, YCHR, Latur.
- To help needy from the society, in case of any requirement for blood.
- To end the concept of replacement donation by ensuring supply of blood through Voluntary Blood Donation in blood banks.

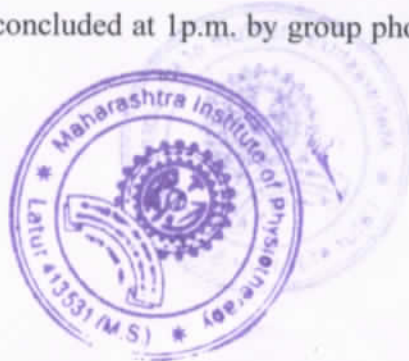

DETAILS ABOUT THE CAMP:

The Maharashtra Institute of Physiotherapy organized a blood donation camp on Occasion of World Physiotherapy Day in collaboration with Smt. Saraswati Karad Blood bank, YCRH, Latur, on 10th Sept.2022. The camp began at 10a.m. which was inaugurated by the auspicious hands of Dr. N.P. Jamadar Sir, Dean MIMSR medical college, Mr. Sarwanand Sir, Principal MINS College, Latur. The Camp was organized under the Guidance of Dr. Mohammed Rafi Sir Principal MIP College of Physiotherapy & Dr. Pallavi Dangat Mam Professor & HOD Department of Neuro Physiotherapy. The students, interns and staff of MIP COPT participated in the camp. The donors firstly were screened by the doctors of blood bank than registered at the registration counter of the blood bank and then they were sent for blood donation.

At the end 23 units of Blood was collected. After donating the blood, donors were given breakfast in order to reenergize themselves. The blood donors were provided with a blood donation certificate. The camp concluded at 1p.m. by group photographs of the team at the camp site.
