**The Annual Magazine
2025**

Vision

- To become a center of excellence in imparting Physiotherapy education.

Mission

- To Create Value Based Physiotherapists Capable Of Treating Common Ailments That Require Physiotherapy Treatment.
- To Build Human Resources In Physiotherapy, Offer Physiotherapy Rehabilitation Services And Serve The Society.
- To Prepare Students For Fostering Greater Creativity And Original Thought In The Professional Context Of Research.
- To Develop Educational Pathways Which Will Give Students The Most Flexibility In Their Physiotherapy Career Opportunities.

Values

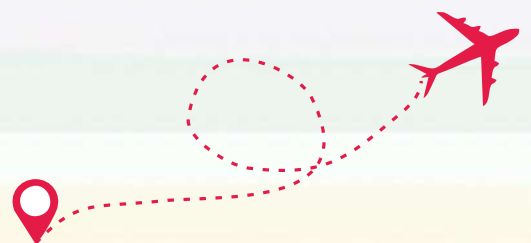

- Integrity
- Transparency
- Quality
- Team work
- Execution with passion
- Human touch

Quality Policy

- We pledge to meet the students and patient's requirements by offering expert Physiotherapy education and care with compassion through a dedicated and committed team of well qualified and trained professionals.

Executive Director Message

Dr. Hanumant T. Karad

Executive Director

MAEER'S, Maharashtra Institute of
Physiotherapy,
Latur, Maharashtra, India-413 531.

President's word of wisdom

Dear Students

Welcome To Maharashtra Institute Of Physiotherapy College, Latur.

It gives me immense pleasure to extend my warm greetings to all readers of this year's college magazine. This publication is much more than a collection of articles and photographs—it is a reflection of our students' creativity, dedication, and the vibrant spirit that defines our institution.

Education, at its core, is not just about acquiring knowledge but also about nurturing imagination, character, and empathy. I am proud to see our students and faculty working together to create an environment that encourages both academic excellence and personal growth. Each contribution to this magazine showcases the diverse talents and perspectives that make our college community truly exceptional.

I extend my heartfelt appreciation to the editorial team, staff, and students who have worked tirelessly to bring this edition to life. May this magazine continue to inspire and serve as a lasting reminder of the ideas, energy, and dreams that shape our journey together.

Wishing everyone continued success and fulfillment in all future endeavors.

Dr. Hanumant T. Karad

Executive Director, MIPT,
Vishwanath Puram Campus, Latur -413 512

Principal's Message

Prof. Dr. Subhash M. Khatri
Principal
MAEER'S, Maharashtra Institute of
Physiotherapy,
Latur, Maharashtra, India-413 531.

Greetings from MIPT!

It is a real moment of pride and pleasure for me to introduce the third edition of our annual magazine. Over the years, this publication has grown into a valuable space where our undergraduate & postgraduate students, along with our faculty members, can present their reflections, creativity, and academic contributions. It continues to serve as an important avenue for expressing thoughts beyond the formal classroom environment.

Our Institute Has a Proud Lineage Of Alumni Since 2005. Today, They Are Contributing To Society In Diverse Corners of The World. Their Continued Association With Mipt, Through Their Guidance and Insightful Feedback, Remains One Of Our Greatest Strengths And a Source Of Encouragement For Our Current Students.

Earl Nightingale Beautifully stated, "We become what we think about." This simple yet Powerful idea Reminds us that Consistent belief in our Abilities, Clarity in our Goals, and Sincerity in our actions Pave the Way to achievement. at MIPT, We Strive to Create an Environment where every student can Recognize their own potential, work collaboratively, and uphold the values we stand for. This Magazine is a reflection of that spirit.

I congratulate the Chief Editor and the entire editorial team for their hard work, dedication, and thoughtful efforts in presenting this edition. I hope this magazine in spires new ideas, nurtures creativity, and continues to grow stronger with each passing year.

Warm regards,

Dr. Subhash Khatri,

BPhT, MPT ortho, FIAP, PhD Sports Medicine
& Physiotherapy Principal,
Maharashtra Institute of Physiotherapy,
Latur, Maharashtra, India- 413 531

Message From Faculty Editors & Message from Editorial Team (Students)

On behalf of entire horizon 2025 annual magazine team, we are glad to put this preface for the issue. Our time believes that reading constitutes a key proportion of fine art and bringing up this issue brings us great pleasure and satisfaction among students and the faculty community who had directly or indirectly contributed to bringing up the excellent extracurricular piece of work.

This edition has a mixture of articles and soft features that continue our mission to provide information combined with fun. It combines the expressions and impressions that revolve around each of us. The magazine has always emphasised the abilities, emotional flexibility and creative thinking that have developed throughout the academic year and have helped students develop their attitudes, skills and values.

This edition has a mixture of articles and soft features that continue our mission to provide information combined with fun. It combines the expressions and impressions that revolve around each of us. The magazine has always emphasised the abilities, emotional flexibility and creative thinking that have developed throughout the academic year and have helped students develop their attitudes, skills and values.

To achieve progress and meet objectives we have to cross numerous milestones. With all the effort and contributions put in by the students, we truly hope that the pages that follow will make some interesting reading. Many tasks that the students undertook were done with the intention of assisting them in reaching the highest level of expertise and perfection in whatever work they undertook, so empowering their journey to achieve excellence. One such cherished publication with persuasive roots was this magazine. It would provide a glimpse of numerous developments and activities for everyone to Maharashtra Institute of Physiotherapy.

We would like to thank our management for always encouraging and helping us, Dr. Subhash Khatri for his steadfast advice, and all of our team members who have been our strength in any situation. Last but not the least we have no hesitation in praising the pupils for their incredibly absurd amount of work.

Sending you all an infinite amount of good wishes.

Dr. Sanchi Gaikwad

Dr. Divyashri Nazare

Continue without Pause....

Our institute started with an awesome beginning and it is continuing to have a fantastic flow.....

Our Institute, Maharashtra Institute of Physiotherapy was set in motion in the year 2005 in Latur, Maharashtra, India.

Physiotherapy gives patients hope that they can continue living pain-free lives. By treating the underlying physical concerns, Physiotherapy is a form of treatment that focuses on the science of movement and assists individuals in regaining, preserving, and maximising their physical strength, function, range of motion, and general well-being.

Hence, we say,

“MEDICINE ADDS DAYS TO LIFE BUT PHYSICAL THERAPY ADDS LIFE TO DAYS.”

The ground floor contains all the outpatient departments. The Principal office, Clerk's office, class rooms and library is on first floor

Let us begin with our 1st OPD...

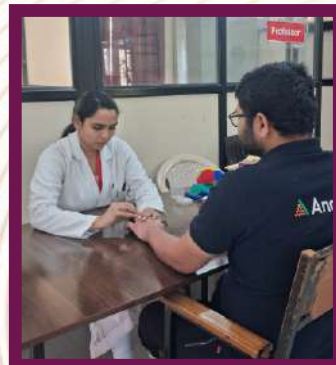

Let us begin with our 1st OPD...

Musculoskeletal Physiotherapy Department: It is designed with 10 cubicles as well as a variety of modalities including traction, continuous passive motion, paraffin wax bath, moist heat / hydrocollator pack US, SWD, IFT, TENS, IRR, UVR, Laser Therapy etc and different techniques of exercise that are used to treat the patient.

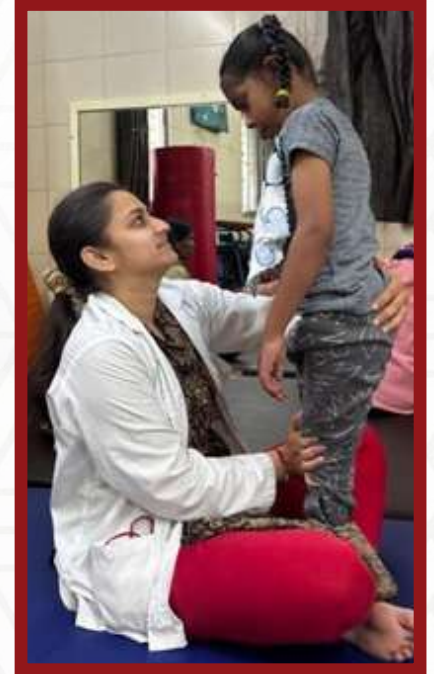

Now, we'll move on to our 2nd OPD....

Neuroscience Physiotherapy Department : It focuses on the treatment and rehabilitation of individuals with neurological condition affecting the functioning of the brain, spinal cord, and nerves. This OPD has modern diagnostic equipment like EMG/NCV etc... Therapy for neuro-disorders includes stimulation and various biofeedback activities that assist patients to build their confidence and advance in their quest for wellness. It also includes various physical exercises to carry out their functions of daily living.

Paediatrics OPD is specifically trained to improve the lives and daily function of children who suffer from a wide range of injuries and congenital conditions. Each patient at this facility receives individualized care while beaming a smile on their face. With tastefully adorned wall art and a toy-filled cabinet, the area is set up for children. Due to the adapted and humorous therapy technique, the process is joyful. Students visits are arranged at DDRC centre Latur and high risk in paediatrics OPD.

Afterward, turn on to our 4th OPD...

Community-Based Rehabilitation : It has 4 beds. Here the students are treating Geriatric patients and patient with disability with a new pleasurable and convenient form of activities. Also, arrange student visits at Matoshree Old age home and Khadgaon outposting and some other interesting activities like camps.

Later on, our 5th OPD...

Sports Physiotherapy : It is involved in the prevention and management of injuries resulting from sports and exercise participation at all ages and at all levels of ability. This OPD fulfills various types of fitness equipment like Treadmill, Dumbbells, barbells, and much more. For use in athletic person to improve skills, Endurance, and strength....

Finally, on the last 6th OPD...

The Cardiorespiratory Pulmonary Physiotherapy Department : Students are being taught about the many methods of managing cardio-pulmonary diseases in this instance. Additionally, they visit hospitals' intensive care units and learn about various kinds of instruments like incentive spirometer, volume oriented spirometer, PFT ,static cycle and pedometer.

Now, move on to 1st floor...

All classrooms with advanced facilities for contemporary education ,Computer-room and Practical-labs like Exercise therapy Lab and Electrotherapy lab .There is a library which is having all the latest editions of required books & magazines of physiotherapy for the latest information of our field. Here, we end with the introduction of our college but what keeps it alive is the people who are coming here daily: the Students, Faculty members, non-teaching staff, and Peons.

Our Students achievements

Photography, Drawing And Poem

सूर्याची किरणे college वर पडतात,
canteen मध्ये चहा आणि गप्पा सुरू
होतात.
तू लांबून हसतेस, मी नोट्समध्ये हरवतो
आणि त्या क्षणात physiotherapy
course पण romantic वाटतो...

कधी electro च्या modality रडवतात
कधी kinesio च्या practical मध्ये हात
धरवतात,
पण जेव्हा तू हसते,
तेव्हा सगळं धकवा विरघळतो...

@ink_of_marathi45

class संपली की campus च्या झाडाखाली,
आपण बसतो -

life, career, आणि dream च्या
गप्पांखाली दिवसाचा धकवा घालवतो....

चार वर्षांचा हा प्रवास - हसण्याचा,
शिकण्याचा, notes, viva आणि
friendship चा.

जाता पुढे आपुष्य जरी वेगळ्या वाटेवर गेलं,
या college ने आपल्याला कायम जोडून
ठेवलं...

Vaccation आणि आठवणी

College म्हणजे फक्त lecture नाही
तुमच्या सारखे ह्रदयाचे तुकडे भेटल्याच
ठिकाण आहे...

Attendance कमी पण आठवणी full
प्रत्येक जोकवर हसून झाले मनाचे pull..

Brother's point पर cutting tea
अणि Patis ची वाटणी
एकाच plate मध्ये Friendship ची
कहाणी.

जाता, Attendance नाहीत lecture
नाहीत
पण तुझ्या तुमच्या शिवाय दिवस जात
नाही

@ink_of_marathi45

college पुन्हा सुरू होईपर्यंत एकच
mission
तुमच्याशी भेटायचं हेच माझं vision

college आठवले की हसू येत.. मित्र
आठवले की मन भरून जाते.
vaccation मध्ये मज्जा कितीही असो,
पण ती मस्ती, ती class कुठेच मिळत
नाही....
